To enable:

Wiltshire Council to carry out carriageway patching works during the period January to March 2012.

The closures will be clearly indicated by traffic signs.

This Order will come into force on Monday 9th January 2012 and each closure is expected to take 1-4 days to complete. As works are weather dependent, information boards reflecting advance information of dates will be displayed on site, and it is anticipated the works will take 10 weeks to complete. Subsequently the road will be closed again later in the year for carriageway resurfacing, these closures will be indicated by signing on site and a further press notice to advise of dates. The Order will have a maximum duration of 18 months.

For further information regarding these works please contact Simon Price (Mouchel) on 01225 779870.
