

Ruth Fisher Isolation Room

Only to be used if someone becomes unwell whilst on the Village Hall and covid is suspected

The Ruth Fisher Room to be used as an isolation area for any Hall user with covid 19 symptoms until transport home or transport to a hospital arrives.

Tissues, paper towels and a bowl of warm soapy water or suitable hygiene wipes should be provided to that person.

All tissues, paper towels and wipes used must be double plastic bagged and stored securely for 72 hours before disposal.

Contact details from all other person to be obtained.

All other persons should be asked to leave (other than those helping the ill person), sanitise and to follow government guidance.

Test, track and trace service to be informed by the Hirer.

Hirer to inform Steve Latham (Village Hall Bookings Coordinator) immediately.

In the event of a potential/actual covid 19 infection on the Hall premises, the Village Hall will close and the Village Hall will carry out a decontamination clean.

Hirers will be notified of any closure affecting their booking.
